www.northmace.com

Our team's passion for designing and manufacturing products that enhance the guest experience makes the Northmace and Hendon brands the choice for hoteliers in over 100 countries around the world."

President, Northmace & Hendon

NorthmaceTM

DEFINING GUEST EXPERIENCE SINCE 1942

Northmace is the market leader in the design and manufacture of professional electrical items for the hotel bedroom. The range includes:

- Hotel Safety Hairdryers p. 06 - 10
- Hotel Bedroom Safety Ironing Centres p. 11 - 15
- Hotel Safety Irons p. 16 - 17
- Hotel Safety Welcome Trays p. 18 - 24
- Hotel Safety Kettles p. 25 - 29

All of Northmace's electrical items are manufactured to the highest international standards including CE, RoHS, SASO / Intertek and SGS approved.

HendonTM

ESTD. LONDON 1942

Hendon is the market leader in the design and manufacture of professional non-electrical items for the hotel bedroom. The range includes:

- Guest Ironing Board p. 15
- Guest Trays p. 22 - 24
- Hotel Luggage Racks p. 30 - 32
- Hotel Bedroom & Bathroom Essentials p. 33 - 37

There are many unmistakeable characteristics that define the Hendon range – distinctive design, timeless appeal and economic performance.

Our team's passion for designing and manufacturing products that improve the guest's experience makes Northmace & Hendon the brand of choice for hoteliers in over 100 countries.

The initial research, design and development of Northmace & Hendon products is done at our HQ in the United Kingdom. It is here that some of the world's top designers focus on developing professional and sustainable products, built to last and with timeless appeal.

All of Northmace & Hendon's products are manufactured to the highest international standards including CE, RoHS, SASO / Intertek and SGS approved. Each electrical item contains market leading safety features to ensure peace of mind for you, the hotelier.

Our range combines safety and efficiency with guest-intuitive design, ensuring a world class experience for your guests.

Environmentally Friendly Product

Northmace & Hendon seeks to minimise waste, maximise recycling and conserve resources. "Total Life Cycle" is the Northmace environmental driver and wherever appropriate, recyclable materials and packaging is used.

Northmace designs products to protect the environment through minimising energy usage. In addition, they comply fully with the European Directives on "Restrictions of Hazardous Substances" and "Waste Electrical and Electronic Equipment".

Hotel Safety Hairdryers

We invented the Hotel Safety Hairdryer driven by the desire to provide guests with an uncompromised experience whilst ensuring the ultimate peace of mind for you, the hotelier. Our range combines safety and efficiency with performance and feel, so that your guests can experience the very best in hair drying technology.

Hotel Bedroom Safety Ironing Centres

We invented the Hotel Bedroom Safety Ironing Centre because we recognised that guests demanded a superior in-room ironing experience which hotels were struggling to provide. Our Ironing Centres are now specified by hotels around the world and continually deliver the very best in guest experience. Whilst being stylish and guest-intuitive; our Ironing Centres provide hoteliers with a safe, unobtrusive, easy to store and long lasting solution.

Northmace

Hendon

A woman with brown hair in a bun, wearing a black shirt and a white apron, is ironing a white cloth. She is looking down at the cloth. The background is a blurred hotel room.

Hotel Bedroom Safety Irons

As a company whose irons are found in hotel bedrooms throughout the world, we are committed to manufacturing first-class Hotel Bedroom Safety Irons. It is this spirit of excellence that is noticed and appreciated by the guest. Both our Steam and Dry Irons offer the guest a superior ironing experience, and at the same time provide the hotelier with a safe, reliable and attractive solution.
